

# Digital Photography

Mr. Stiles

Fall 2020

This is your 3rd assignment.- Due Thursday 9/24, Value 100 Points

## Still Life – 12 views

Photograph one inanimate object 12 different ways. Again, only ONE object!

Use different angles, close up, from above, below or side, put it in different places, you may also change each image in Photoshop!

1. Upload these photos to a folder and write your First & Last name, Period number & Still Life in the file title.
2. Double check that the photos are visible on the folder before turning it in.
3. Upload your folder to the class Google Drive but it is your responsibility to make sure they are all there.
4. Your photos may also be shown in class in a best of assignment gallery and on our website if they are really great.
